

Financial Vulnerability Taskforce

**A SAFE  
PAIR OF HANDS**

Eadon & Co has signed up to **'The Financial Vulnerability Taskforce Charter'**. This Charter underpins the Taskforce's work and sets out the commitments required by Eadon & Co in respect of how we will work with customers/clients in vulnerable circumstances. This requires the use of our best endeavours to provide a service that recognises and responds to those in vulnerable circumstances, ensuring as far as is possible that they receive as good an outcome following advice as everyone else. We also acknowledge that as our services often involve the application of specialist and technical financial knowledge, this places many clients in a position of dependency and as such imposes upon us a greater moral duty to act in their best interests and as a 'Safe Pair of Hands', especially to those who find themselves in vulnerable circumstances.
